

## Ashville Medical Practice Patient Reference Group

We are looking for patients who are interested in being part of our already successful Patient Reference Group. The group meets at Ashville Medical Practice on a quarterly basis, however if you are unable to attend meetings you may participate via email.

We would like to hear comments and views from all patients registered at the Practice ensuring that everyone has the opportunity to have their voice heard.

This may involve short surveys, ad hoc consultations on proposed changes, attendance at meetings or simply giving us feedback, both positive and negative. We will also keep you updated on any decisions made as a result of your involvement.

If you would like to join the group please complete the slip below and return it to the Reception desk. All information will be treated in the strictest confidence.

I would like to be involved with the Patient Reference Group
