Paternity DNA Testing

Paternity DNA swab testing- (Patients are to pre-arrange testing first with a DNA company of their choice. The swabs with pre-arranged testing kits will be taken in practice)	£50 per patient
--	------------------------

Photocopying

Photocopying charge- (black and white copying only)	35p per page
---	---------------------

To allow the practice to plan the GP's time, 4 weeks' notice is required although many are completed within this time. Where a patient has an urgent request, this should be explained to the receptionist who will note the request however it is not always possible for other more clinically urgent work to be delayed.

Caring for patients will always be the top priority.
